TERMS:—To insure mare with foal, Six Dollars, payable when fact is ascertained, or the
mare sold, traded or otherwise disposed of. Every precaution will be taken to prevent ac-cidents but no responsibility will be assumed for any occurring. JAMES PINKLEY.

Trustee's Sale.

WHEREAS, Philip A. Robinson and Emma J. Robinson, his wife, by their certain deed of trust dated the 1st day of December, 1883, and recorded in the Recorder's office of Set General County, at deed book 28, page 17, conveyed to the undersigned Charles C. Horier, all their right, title, interest and estate in and to the following described real estate situated in the county of Ste. Genevieve, State of Missouri, viz:

souri, viz:

A tract of land known as the Mill or Pinery tract, being survey No. 3iel confirmed to Ihomas Maddin, containing originally seventeen hundred and one acres and 35-100 of an acre, but from which is deducted 479 34-100 acres and deducting 48 80-100 acres heretofore sold to Serefa B. Donze by deed dated January 18th, 1880, recorded in Book 46, page 116. Ste. Geneviewe County Land Records.

Also the south half of the south-west quarter of section sixteen, township thirty-six west range seven east, contaming eight acres, excepting such tracts as were heretofore sold to Burnet and Thomure, and to Louis Thomure, the tracts conveyed containing in the aggregate 712 76-100 acres more or less. Which said conveyance was made in trust to secure the payment of their certain promissory note in said deed described, and whereas said note has become doe and is unpaid, now therefore, in accordance with the provisions of said deed of trust and at the request of the least holder of fall note, I will proceed to sell the above described real estate at the Court House desor in the city of Ste. Genevieve, in the county of Ste. Genevieve, to the county of Ste. Genevieve, the county of Ste. Genevieve, May V2th, 1894.

between the hours of ten o'clock in the forenoon and five o'clock in the afternoon of that day to eatlify said note together with the costs and expenses of executing this truet.

CHARLES C. ROZIER.

Dated this 21st day of May, 1894.

> -Cause and Effect.

From the St. Louis Republic. The charge that Coxev is an imitation of tariff paternalism is only half the truth. It is not merely an imitation but an inevitable consequence.

The protective policy builds up great industries at the expense of the country. It creates artificial prosperity and abnormal activity. The first effects are large profits and high to file motion by 1st September, 1894 wages, the natural result of which is a State vs David Ditch-David Ditch rush of capital and labor into the recognizance in \$250 in open court as favored industries. Then reaction principal and W. W. Wilder. E. A. follows as the night the day. La-Rozier and Thomas Whitledge as bor is unprotected and competition securities, cause continued to next among workers and selfishuess among employers brings a surplus of labor and starvation wages. Overproduction increases the surplus. Combines of employers, under the easy opportunity of tariff laws, regulate production and the labor surplus is increased. Leave given to file answer by 1st Sep. Tramps are made and an army of un-

employed is formed. The interference with the laws of is both Academical and Profestrade and industry creates patriotic sional. depression. The wealth of the country is absorbed from its rightful owners and concentrated in the hands of a few persons. The army of the prosperity, creating legislation for State furnishes. ters in the minds of the people the Next Session begins Tuesday, ides that there is no limit to the pros- September 5th, 1893. can people.
